Advance-Nilfisk Parts - Think about how tiresome it will actually be to clean up your very own house right after throwing a big party, with out assistance from cleaning equipment. In the past, when carpets and upholstery had the dust beat out of them by hand; brushes, brooms and cleaning cloths were the leading cleaning materials of that time.

The founder of Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After establishing his business in 1906, he began to produce motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's dream from the beginning was to have a global company advertising goods worldwide.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning industry. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner that can be operated by one person as it just weighed 17.5 kilos! This creation came in a time where various cleaning machines were very big and needed at least 4 operators, thus, the Nilfisk C1 changed everything and evolved the manner we clean forever. The brain behind these very first cleaning machines remains unparalleled. Cleaning equipment offer a brilliant solution to an ongoing crisis; stuff get filthy and must be cleaned frequently, without a lot of effort.

Slowly but progressively, Nilfisk-Advance expanded all through the years. In the nineteen eighties, this growth really took place the time the business became a part of the NKT Group. Their new owners' drive and concentration made Nilfisk-Advance take a huge leap ahead within the business, aspiring to be one of the largest global players in the market of professional cleaning machines. Nilfisk-Advance is presently represented in all parts of the world due to gradually acquiring a lot of small companies in order to grow their product selection and presence in new markets. They are really proud to offer different cleaning solutions to meet each need.
